

## NEED SERVICE ON A BOWL?

**ADI** can repair **ANY** feeding equipment - regardless if it was originally purchased from us.

- ✓ Send us your bowl and/or drive unit so our experts can re-work or re-tune it
- ✓ Send us detailed pictures of your worn bowl and our engineers can supply a budgetary quote to replace it
- ✓ Order spare parts that can be shipped out same day
- ✓ Be the hero in your plant and learn the "art" of universal feeder tuning at our FREE feeder tuning seminar
